What's it all about?

Improving Equality in Guernsey

Our campaign encourages businesses, organisations, community groups and individuals in Guernsey to #MakeAChange for greater inclusivity and accessibility, especially for our 13,000 disabled islanders and 4,000+ carers. We know Guernsey cares about the issues surrounding disability and how to become a more inclusive island. This campaign is a response to that desire.

What can you do differently?

Disabled islanders want to shop, eat out, play sport, work, travel and take a full and active part in the community. Currently there are a number of barriers to Guernsey life, our “Think Differently about Disability” campaign aims to highlight these barriers and what can be done to bring them down.

By making changes in your organisation or community group and raising money you can have a significant impact on how inclusive the island can become.

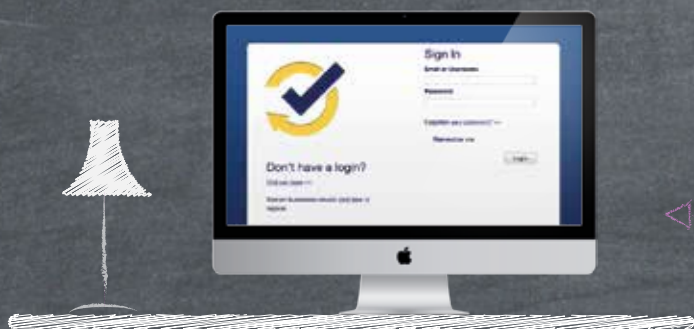

Our Change Cards

We have developed a suite of change cards to assist cafes, architects, employers, providers of services... everyone to #MakeAChange. They provide tips and links to videos and other materials to raise awareness, increase knowledge and take action.

There are currently over 20 cards, check them out at www.matter.gg/make-a-change

UN International Day of Persons with Disabilities (IDPwD)

International Day of Persons with Disabilities (IDPwD) is celebrated annually around the world on 3rd December.

In Guernsey we will celebrate all the changes the community has made to be more inclusive for disabled islanders and carers on 3rd December. Fundraising will take place all week, starting 3rd December, you may prefer to use the Friday for dress down, or cake sales.

Fundraise

In the week leading up to IDPwD we will be celebrating all the changes made by businesses and groups. We will be asking the community to fundraise for the We All Matter, Eh? campaign.

Download our fundraising pack from our website and book in your event the week of the 3rd December. You can upload your details to www.matter.gg and we will then publicise your event by posting it on our social media streams.
