

Accessible Christmas Lights and Shopping

Monday 3rd December
5.30pm - 7.30pm

In partnership with St Peter Port Christmas Lights, we are excited to launch the first Accessible Christmas lights and shopping evening. The evening has been designed to encourage as many people into town as possible.

The activities are mostly based in the Market and include:

- Children's activities in the Guilles-Alles Library and market
- Visit by Santa and friends
- Entertainment by local musicians and groups
- Christmas food and drink stalls
- Quiet zones, including the library and town church
- Christmas present wrapping service
- Extra rest areas and accessible toilets
- Additional Blue Badge parking and mini bus drop off areas

Stay up to date on which shops will be open and a run order for the night on www.accessibletown.gg

Thank you to all our partners and everyone who has made this evening possible.
