

#StayConnected

The Stay Connected initiative offers older and vulnerable (shielding) islanders access to a tablet or iPad and WiFi devices to connect to family, friends and groups during the pandemic.

We have been overwhelmed by the level of demand from individuals, care homes, supported living and the hospital. This has been matched by significant support by businesses, groups, funders and individuals. True Guernsey community spirit and an example of #GuernseyTogether

Please view the wonderful testimonials on our website at www.matter.gg

Thank you to everyone who supported Stay Connected
